

WATERSTART

B E R M U D A

Registered Charity #591

BEGINNER DIVER \$1,300

Waterstart's mission is to promote environmental awareness and personal growth through hands-on educational opportunities in natural environments. Our programs run from Monday to Friday, 8:45am to 4:30pm and are based on our Burt's Island campus, with drop off at Albuoy's Point.

Our **Beginner program** offers the opportunity for students to gain their first PADI Scuba diving qualifications and begin their underwater exploration journey.

June 30 – July 4 | July 14 – 18
August 11 – 15 | August 25 – 29

Program Components

- Student led sustainability projects such as:
 - Seagrass Monitoring & Restoration
 - Pilot Aquaculture Study
 - Woodland Restoration
 - Sustainable Farming
- PADI Scuba Diver or Open Water course (depending on student's starting level.)
- Kayaking, boating and snorkeling

Prerequisites

- ✓ 12 years or older
- ✓ Good swimmer
- ✓ For students with no scuba diving experience or their PADI Scuba Diver certification

Students with their **PADI Open Water certification or higher** should opt for our **Intermediate** program.
