

WATERSTART

B E R M U D A

Registered Charity #591

INTERMEDIATE DIVER \$1450

Waterstart's mission is to promote environmental awareness and personal growth through hands-on educational opportunities in natural environments. **Our intermediate program offers the opportunity for students to gain further PADI Scuba qualifications, log more dives whilst perfecting their skills.**

Our programs run from Monday to Friday, 8:45am to 4:30pm and are based on our Burt's Island campus, with drop off at Albuoy's Point.

PROGRAM COMPONENTS

- PADI Adventure Diver, Advanced Diver or Specialty course (depending on student's starting level)
- Student led sustainability projects such as:
 - Seagrass Monitoring & Restoration
 - Pilot Aquaculture Study
 - Woodland Restoration
- Kayaking, boating and snorkeling
- Camp overnight on Thursday

PREREQUISITES

- 13 years or older
- Strong swimmer
- For students with their PADI Open Water certification or higher

**** Students must have an existing dive certification ****

**Financial Aid available.
Apply during registration.**

**April 1—5
July 8—12
July 22—26
August 19—23**
