

WATERSTART

B E R M U D A

Registered Charity #591

Sustainability, Education and Adventure \$1,080

Waterstart's mission is to promote environmental awareness and personal growth through hands-on educational opportunities in natural environments.

Our programs run from Monday to Friday, 8:45am to 4:30pm and are based on our Burt's Island campus, with drop off at Albuoy's Point.

Waterstart's **Sustainability, Education and Adventure** program is perfect for those students who are just beginning to build confidence in their swimming ability. It is a perfect opportunity to explore Bermuda's natural environment.

August
4 - 8

Program Components

 Focus on student-led sustainability projects such as:

- Seagrass Monitoring & Restoration
- Pilot Aquaculture Study
- Woodland Restoration
- Kayaking, boating and snorkeling
- Sustainable farming

 Option to try PADI scuba diving through a Discover Scuba Diving course (not a certification course)

Prerequisites

- ✓ 11 years or older
- ✓ Good swimmer
- ✓ No snorkelling experience necessary
