

WATERSTART

B E R M U D A

Registered Charity #591

SUSTAINABILITY, EDUCATION AND ADVENTURE \$1025

Waterstart's mission is to promote environmental awareness and personal growth through hands-on educational opportunities in natural environments. **This program is perfect for those just starting out building confidence in their swimming ability and exploring Bermuda's natural environment.**

Our programs run from Monday to Friday, 8:45am to 4:30pm and are based on our Burt's Island campus, with drop off at Albuoy's Point.

PROGRAM COMPONENTS

- Focus on student led sustainability projects such as:
 - Seagrass Monitoring & Restoration
 - Pilot Aquaculture Study
 - Woodland Restoration
 - Sustainable Farming
- Kayaking, boating and snorkeling
- Option to try PADI scuba diving through a Discover Scuba Diving course (not a certification course)

PREREQUISITES

- 11 years or older
- Good swimmer
- No snorkeling experience required

**Financial Aid available.
Apply during registration.**

**August
5—9
2024**
