

WATERSTART

B E R M U D A

Registered Charity #591

Spring and Summer Courses

Dates for 2026!

We are excited to offer an exclusive sneak peek of our program dates for the upcoming year. Be sure to mark your calendars, as **registration opens on January 26th, 2026.**

All Programs include:

- Boating, snorkeling and kayaking
- Sustainability projects:
- Seagrass Monitoring & Restoration
- Shellfish Restoration Study
- Woodland Restoration
- Sustainable Permaculture Design
- Art and design projects

Get a head start with pre- registration!

Pre-registration information will be sent out to everyone on our mailing list. This allows you to set up your account before Registration opens, so that you save time when our programs go live.
