financial aid has been awarded to:

1,060 Students

“ Waterstart consistently delivers transformative experiences that create lasting opportunities for young people. We’ve seen firsthand how the programme nurtures existing talents and opens doors to incredible possibilities. ”

~ Parent feedback

“ Waterstart has made me into the person I am today, and the only thing I’d change if I could go back in time is to spend longer there. To sum up my internship, it has been the absolute best weeks of work someone could have! ”

~ Intern response

99 Dive Certifications
Awarded

19
Interns

“ I feel like I’ve joined a family since during my time here. I feel like I pushed myself and gained confidence. The team really encouraged me to keep going. ”

~ Student feedback

~ 2026/27 aims ~

WATERSTART

BERMUDA

**Improving youth
career readiness**

**Ensuring longevity for
Burt Island classroom**

**Expanding
sustainability projects**

**Providing new climate
action activities**

**Increasing accessibility
to outdoor programs**

**Enhancing access
to STEM classes**

**Upgrading our facility so we can
impact MORE lives!**

New for Summer 2026

- Dry, secure, organized storage for dive equipment.
- An office area to preserve teaching tools and student records.
- Solar panels due to be installed for sustainable energy.
- Expanded permaculture garden beds and woodland clearings.

Thank you for supporting Waterstart and our mission to inspire environmental awareness and personal growth through hands-on learning in nature!
